Polar Bears & Beluga Whales

Animals of the Arctic | Summer Expedition
AUGUST 08, 2017 – AUGUST 14, 2017

POLAR BEARS & BELUGA WHALES

With beluga whales filling the bay and polar bears roaming the shoreline, summer is the perfect time to visit Churchill to experience this amazing wildlife spectacle.

Head north and discover the beauty and wildness of Churchill, Manitoba. Known as the "Polar Bear Capital of the World," this small town on the banks of the Hudson Bay is famous for these majestic animals, who spend summer and fall on the local shores before returning to the pack ice when it forms in early winter. In summer they share the area with more than 60,000 beluga whales and a wide variety of other wildlife. Come and see this annual exhibition that can only be found here in the Canadian north, and meet the local people who call it home. Pioneering spirits and welcoming smiles are waiting for you.

Dear Alumni and Friends,

Join fellow travelers for a special opportunity to witness the diverse wildlife and pioneer spirit of the Canadian Arctic in summer.

During this seven-day journey to remote Churchill, Manitoba, observe polar bears interact and play from a custom-designed water vessel, the Sam Hearne. During another outing in Zodiac boats, watch as beluga whales, seals, and a multitude of other wildlife enjoy the brief arctic summer. Back on land, explore the plants and animals who live in this vast arctic wilderness. Meet and greet sled dogs, their mushers, and staff at their outfitters camp, then enjoy the thrill of a dogsled ride along local trails.

The expert guidance of a naturalist Orbridge Expedition Leader and exclusive educational experiences distinguish this program, including expert presentations from Assiniboine Park Zoo and Churchill’s Northern Studies Centre.

Our rate for Washington State University guests on this departure represents a significant savings (more than $1,000 per
couple) over that of non-affiliated guests. Please reserve your space today online at http://wsu.orbridge.com, by calling (866) 639-0079 or by returning the enclosed reservation form.

Sincerely,

*Itinerary subject to change*
Hailing originally from Vermont, Lynette’s passion for the outdoors began at an early age on her family’s dairy farm. A move to Montana and a degree in Ecology enabled her to continue to nurture her love of exploration throughout the western U.S. Since that time, she has had the good fortune to study grizzly and black bears, pine marten, coyotes, foxes and wolves in various research projects in some of the West’s most remote areas; as well as to educate visitors in the complexity of mountain, desert, sub-arctic and coastal ecosystems. Lynette enjoys all manner of outdoor activity and feels very fortunate to have the opportunity to share her enthusiasm for wild places with intrepid travelers who share her love of adventure.

Lazy Bear Lodge—Churchill

This remarkable, handcrafted log lodge will be one of the highlights of your stay. A log house builder by trade, Wally Daudrich built the Lazy Bear Lodge himself, literally. Drawn to the area by its sense of freedom, he and a partner dragged logs from the forest by snowmobile, crafting them first into a small café, then a small lodge and finally the two-story, modern lodge of today. The friendly staff and scenic surroundings make this property supremely memorable. Cozy up in the comfortable lounge and feast on homemade northern cuisine at the Lazy Bear Cafe.

Room Amenities: Two double beds, cable television with movie channels, complimentary Wi-Fi, and en suite bathroom with shower and toiletries.

A Bit About Lazy Bear Lodge

We’ve all learned about the pioneers from the 1800s who built North America with their strength and skill, crafting log homes from the forest—making everything they needed by hand—and growing family businesses that made their country strong. In Churchill, Manitoba, such a man still exists; his name is Wally Daudrich.

A log builder by trade, Wally built the Lazy Bear Lodge himself, literally. Drawn to the area by its sense of freedom, he and a partner dragged logs from the forest by snowmobile, designing them into first a small café, then a small lodge, and finally the two-story 15,000-square-foot modern Lazy Bear Lodge of today. Admire the gnarled and knotted log timbers from the northern Boreal forest used to make both the lodge and the furniture; experience the warm hospitality of Wally and his staff; and dine on fabulous northern cuisine—all in the stunning property he has built. It’s the perfect combination of remote northern living with all the comfort and conveniences travelers want.
And if that was not enough to keep him busy, Wally also provides guided treks by both land and sea to observe the polar bears and beluga whales (plus a vast multitude of other wildlife) during the brief arctic summer when the ice melts. His “Arctic Crawlers”, and his WWII-era landing craft, the Sam Hearne, all help visitors view, and in some cases interact, with the diverse array of wildlife the area supports. His polar bear viewing in fall is equally popular; he estimates he has helped more than 20,000 people see their first polar bear during his 35 years of guiding.

Come north and experience Churchill for yourself or as Wally says “Up North and Personal.”
