The city is located at the confluence of two rivers, the Aare and the Thun River. Thun is a popular tourist destination, known for its well-preserved medieval architecture, its picturesque setting on the shores of Lake Thun, and its annual Thun Festival, one of the largest folkloric events in Switzerland.

Dear Alumni and Friends of WSU,

Ordinary days become extraordinary experiences when we join as an invigorating journey through Switzerland. Staggering mountain scenery and tmpeo opera traces the land, alpine wonderland and picturesque mountain towns.

Our adventure begins in Switzerland’s German-speaking side. From our inns to palaces and castles, this is the capital of coins and takes a coffee break ride up the Eiger north for an adventurous mountain view. Witness majestic views from sea-level over the Eastern Alps to Lake Zürich, the French-speaking side, starting in Lucerne to Mt. Pilatus and into the Swiss Alps.

During our adventure, enjoy in-depth presentations about Switzerland’s history, mountain climbing and the secrets of Swissremanufacturing. Spaces is limited to ensure maximum viewing comfort, so we encourage you to make your reservations today!

Sincerely,

Leila Strahm
