Alpine Wonders of Yellowstone and Grand Teton Itinerary

7 DAYS/6 NIGHTS 18 GOURMET MEALS

The Limo Liner allows us to maximize every moment while traveling in style! Your on-board chef will serve beverages and prepare meals sourced with local ingredients. Our photographer and expert guides help you capture every memory while learning all about the destination. Choose your own activities in-advance, to your own personal taste and activity level.

Use your flex pass to purchase any on-your-own meals or gift shop items.

DAY 1: Jackson Hole, Snow King Mountain
Premium Lodging: Spring Creek Ranch: Jackson, WY
We will begin our tour with a full immersion into the West. The town of Jackson Hole is the second largest town. Nestled between the Grand Teton and Gros Ventre mountain ranges, the valley of Jackson Hole is home to an authentic cowboy town with options for all ages – featuring art galleries, unique dining, a robust shopping district and iconic cowboy bars. The Million Dollar Cowboy Bar, known for its leather saddle barstools and the Silver Dollar Saloon, where we’ll be stopping for lunch are among historic spots to grab a memorable beer or cocktail. Take the time to explore the shops in Jackson Square before we board a chair lift for a scenic ride up Snow King Mountain. Later, we will check in at Spring Creek Ranch, where you can indulge in any of the ranches amenities. Enjoy a sunset dinner at the ranches restaurant, The Granary, offering upscale dining and gorgeous panoramic views of the Grand Teton mountain range.

DAY 2: River Rafting, Jenny Lake, Grand Teton Loop, Jackson Lake Lodge
Premium Lodging: Spring Creek Ranch: Jackson, WY
Take the morning to enjoy breakfast on the ranch. For those who want to get on the water, take a scenic float or whitewater raft on the Snake River's Class II and Class III rapids with views of majestic wildlife and scenery. Wet and wild or dry and relaxing, either is a fun way to experience this beautiful area. We’ll continue to the shores of Jenny Lake for an in-field lunch prepared by our chef on the lakeshore. There are a variety of ways to enjoy the lake, including a walk through the Visitor’s Center, a round-trip trail run to Hidden Falls, strolling along the banks of the lake, or simply relaxing with a cooling refreshment in the crisp mountain air. We’ll continue around the Grand Teton Loop with multiple stops for viewing the wildlife as the evening provides the best photo opportunities for elk, pronghorn and bison – and of course the Grand Teton Mountain Range. Venturing to Jackson Lake Lodge, we’ll find breathtaking panoramic views of the alpine mountain range. The wetlands just outside of the lodge provide the perfect setting to spot a moose and is a beautiful destination for a sunset dinner. We’ll end back at Spring Creek Ranch for an evening beneath a blanket of alpine stars.

DAY 3: Sunrise Wildlife Safari
Premium Lodging: Spring Creek Ranch: Jackson, WY
Our day begins before sunrise with a specially prepared breakfast delivered to your room. We’ll depart on a 4-hour Sunset Wildlife Safari with EcoTour Adventures, boarding their 4x4 style safari vehicles, along with a knowledgeable experienced guide and make our way into the wildlife hotspots of the Grand Teton National Park. Your guide will be equipped with high quality binoculars and spotting scopes for each guest and are available for your use. Our chef will have an in-field lunch waiting for us on our adventure as we admire the alpine wilderness. We’ll return to the ranch where the afternoon is yours to enjoy.

DAY 4: Yellowstone Lower Grand Loop
Premium Lodging: 320 Guest Ranch: Gallatin, MT
The early morning hours offer the best natural light for photos and the greatest opportunity for viewing animals. We begin our final day in the park aboard the Limo Liner, with a specially prepared breakfast from our chef. A Yellowstone wildlife and backcountry photography expert will join us on our way as we explore the Lower Yellowstone Loop, stopping to photograph the geological wonders inside the caldera of the Super Volcano. Driving along the Fire Hole River, we’ll visit key areas such as the Fountain Flats, Norris Geyser Basin, Old Faithful, and Midway and Lower Geyser Basins, where you’ll find outstanding colors of steampy blue, bright green and rusty orange. We’ll break for lunch at the historical Old Faithful Lodge before continuing around Biscuit Basin and West Thumb Geyser Basin, reaching the alpine waters of Lake Yellowstone for panoramic views of the Gros Ventre Mountains. As the evening approaches, we’ll drive through Hayden Valley where active wildlife are in abundance. On the Limo Liner, our chef will serve a variety of appetizers and beverages as we leave the park and head back for a cowboy dinner at the 320 Guest Ranch.

DAY 5: Mammoth Hot Spring & Lamar Valley
Premium Lodging: 320 Guest Ranch: Gallatin, MT
Take the morning to sleep in and enjoy the amenities found on the ranch. Activities such as horseback riding or fly fishing on the Gallatin River are a great way to spend the early hours of the day. After lunch, we’ll continue our exploration to the northern end of the Grand Loop of Yellowstone at Mammoth Hot Springs. Home to the Historic Fort Yellowstone, this location boasts expansive views of the surrounding valley, Swan Lake, and the vibrant orange and white travertine terraces. Continuing through Roosevelt Junction, the landscape uncovers the cascading waters of Tower Fall where guests may take the short hike to the bottom or simply view it from the top. As the evening approaches, we’ll carefully dissect the wonders of Lamar Valley behind the lens.

DAY 6: Grand Canyon of the Yellowstone, Artists Point, Canyon Village, Dunraven Pass, Hayden Valley
Premium Lodging: Hilton Garden Inn: Bozeman, MT
We’ll rise early, as today is a day for discovering the majestic scenery and vibrant wildlife of this treasured American region. Boarding the Limo Liner, our morning brings us to Artist’s Point where a perfectly timed rainbow appears across the majestic Upper Falls. With multiple hiking opportunities the canyon offers a variety of perspectives of the Upper and Lower falls. We’ll continue to Canyon Village to learn of the history and geography of the park at the Visitor Education Center. Next, we’ll venture to Dunraven Pass where the landscape showcases key viewpoints of Observation Peak, Mount Washburn, and Calcite Springs. Continuing back along the Yellowstone River, the golden hours of the evening bring us to Hayden Valley, where herds of North American bison feed on the luscious green landscape. Capture the sunset as elk, rainbow bears and wolves emerge into the valley. Our chef will serve a variety of appetizers and beverages as we leave the park and head into Bozeman, Montana. We’ll stop at Montana Ale Works for a farm-to-table farewell dinner before we retire at the Hilton Garden Inn.

DAY 7: The Journey Home
The town of Bozeman offers a variety of unique flavorful restaurants that we highly recommend trying out if you have time to hang around. Breakfast is included at your hotel as well as a shuttle service to the airport. We hope you enjoy your time traveling with us. Thank you for choosing Experience Park Tours.
